

GLENDON DISTRICT

Welcome To
'Rocketts'
Network

What is Network?

Scout Network is the fifth and final section of the Scouting movement. From the time of Baden-Powell, there have been arrangements for young people who wanted to continue after their time in the Scout Section, and in 1967, Venture Scouts were formed from the existing Senior Scout and Rover Scout Sections.

During the late 1990s HQ decided that, to meet the changing needs of young people, there should be two sections for the over-14s: Explorer Scouts for 14 to 18-year-olds, and the Scout Network for 18 to 25s.

“Rocketts”

No, it isn't a spelling mistake, we can assure you. This name came as a result of joining of two districts. Prior to this Rockingham Forest & Kettering district were in East Northants. Once joined they became Glendon District.

After some years, Network were formed this name developed from the joining of the two titles. The logo then followed.

Structure

It is very informal but below is an outlook on how things are structured within Network. The section itself is run by its own members with support from me; the DNC. Any and all activities can be proposed/organised by all Network members.

So, if someone wishes to go canoeing, they would find out all the info and propose a plan. They can use the Core Team and myself to help with it, but in essence it is their responsibility.

I and the core team will do a fair bit of planning and also host several meetings. I will also help coordinate any of the awards you wish to do.

Core Team:

Jamie McEwan 07506 427035

Josh Reilly 07564478235

Jade-Louise York 07522 496278

Subs/Capitation

Network is mainly a pay-as-you-go section. If you sign up for an activity then appropriate payments are made.

Uniform

You will need to have an adult uniform for certain occasions. Turning up to meetings/activities will just be normal attire, but for things like St George's parade or similar then a uniform is needed.

One full set of badges will be supplied, including name tape and Rocketts badge. Any extras can be purchased from us.

Awards

There are 3 main awards to gain while you are in Network and they are briefly listed below. All of these may have been started while you are in the Explorer Section as they are available from the age of 16.

We advise you go online, using the links below, to read more about them and if you have any questions to contact Darren (DNC).

DoE Gold

This award is headed up by Sharon Langley, who is the District DoE coordinator. Her contact details are below...

Queen Scout Award (QSA)

This award is the highest obtainable in Scouting (excluding medals of merit). If you complete your DoE Gold it counts towards this.

We will automatically register you on this award whether you wish to do it or not. This is because if you ever change your mind you can only backdate 3 months' worth of previous activities. So, for example, if you decide at 24 you want to do the QSA it will not be possible; so we do not want you to get into this position as you may regret it.

Explorer Belt (EB)

The Explorer Belt is a chance to take part in a ten day expedition that brings you a real understanding of a different country, its culture and way of life. You will develop this understanding by travelling through your chosen country, working as part of a small team to complete a series of projects and most importantly by meeting local people.
